Thursday, 5 March 1953

1. [REDACTED] O/RR, requested advice as to the appropriate action to be taken in connection with the [REDACTED] case involving claims by [REDACTED] 25X1A9a of disloyalty by her supervisor in the revision of NIS drafts. Neither I&S, Personnel, nor Medical would assume responsibility for the case, either passing the buck to one of the others or claiming it was an administrative problem. [REDACTED] concurred in my belief that it was most important that an investigation report be provided by I&S, covering the charges made against the supervisor. I&S had previously failed to take such steps claiming that no complaint had been received by them from the employee. I advised [REDACTED] of the circumstances, who advised me he would take immediate action on the case.
